GENERAL INFORMATION

- ✓ You **MUST** complete all mandatory training as reasonably practicable but no later than 4 weeks after your start date
- ✓ All full-time and limited term employees may be required to complete a refresher course when a module is updated. Check with your supervisor to ensure that your training is up to date.
- ✓ It can take up to 1.5 weeks from the date of hire for a new employee to be provided with access to training within Canvas.
- ✓ An employee will need an ontariotechu.ca email account to complete training. Speak to your supervisor if you do not have an ontariotechu.ca email account.
- ✓ Please note this tip sheet is to assist with troubleshooting and completion of mandatory training modules hosted in **CATALOG-Canvas**:
 - **AODA Training Modules, Preventing Sexual Violence: Building a Respectful Campus Together Module, 4 Seasons of Reconciliation Module and Accessible (AODA) Instruction Training for Educators**
 - If you require the training modules content in an alternative format, please email haccessibility@ontariotechu.ca
- ✓ Ensure that you have obtained 100% on all your knowledge checks
- ✓ Ensure that you “click and reveal” all content throughout the module(s); and be sure to select “Complete Course” at the end of each module/training
- ✓ Completion of the mandatory training modules will be tracked and recorded in CATALOG
- ✓ **ONLY APPLIES TO AODA MODULES & ACCESSIBLE (AODA) INSTRUCTION TRAINING FOR EDUCATORS**: Once you have completed your modules, you will not receive a completion certification, however, your grades will serve as your completion
